Affiliate Program Agreement

This Affiliate Program Agreement (the "Agreement") is entered into by and between KrispCall Pte. Ltd. ("KrispCall") and you, the business entering into this Agreement ("Affiliate").

This Agreement governs the terms of KrispCall's Affiliate Program (the "Affiliate Program"). By applying to the Affiliate Program, the Affiliate agrees to be bound by this Agreement as well as KrispCall's [Terms of Service](#) and [Privacy Policy](#).

As an affiliate partner of KrispCall, you agree to abide by these terms when promoting or directing traffic to the KrispCall website. Violations of these terms may result in the termination of your affiliate account and forfeiture of outstanding affiliate commissions owed.

Please review the terms carefully and [contact us](#) with any questions before joining our affiliate program. We look forward to working with you!

Affiliate Program Overview

KrispCall offers an affiliate program designed to reward individuals and businesses ("Affiliates") for referring customers to our cloud telephony services.

Affiliates will receive a **commission payment of 30% for a lifetime** on each new customer referred through their unique affiliate referral link. This commission is earned when the referred customer signs up for our services. The **tracking cookie's duration is set to 90 days**.

No additional commission will be earned in the case of:

- The customer signs up through the affiliate partner's referral link for an **initial subscription plan** and then upgrades to a **higher-tier subscription plan** later.

The commission percentage will solely be calculated based on the initial subscription plan the referred customer signed up for, regardless of any future upgrades.

Be assured that we stand firm on this policy, and will not make any exceptions.

Affiliate Commissions and payments

The commission is based on a **Workspace subscription** through the unique affiliate referral link.

Some criteria in commission include:

- **Refund Policy:** Refunded accounts will not be eligible for affiliate commissions.
- Commissions will be paid for each new referral subscription through our affiliate management platform, **Partnerstack** with payments facilitated via a secure payments platform such as **Stripe or Paypal**.
- Payments are verified and paid out the month after your commission is earned. For example, any commissions earned in February will be available on March 13th. To receive payments, Affiliates must keep all account information updated and complete in our affiliate program **Partnerstack** account to properly receive payments. Affiliates must maintain the payment account information associated with their affiliate account to receive commission payouts. KrispCall is not

responsible for incorrect or incomplete payment information that results in non-delivery of payments. The Payment Platform will reflect the payment history to the Affiliate. The parties agree that:

- **(a)** The data shown in the Payment Platform will govern payments to be made, subject to KrispCall's right to correct errors based on its records; and
 - **(b)** Records and payments will be deemed complete, and incontestable.
- To ensure efficient payment processing, affiliates should be aware that the minimum payout threshold is \$5. Commission earnings will accumulate in the affiliate's account until this threshold is reached. Once the threshold is met, the affiliate will receive their commission payment on the 13th of every month.
- Affiliate's account remains inactive for a continuous period of 6 months and the account balance is less than \$5 during this inactive period. In that case, KrispCall has the right to deactivate the affiliate's account from the system. In such cases, any commissions accrued in the account that fall below the minimum payout threshold of \$5 will be lost and not eligible for payment.
- KrispCall reserves the right to adjust the commission rate, payout threshold, or program terms at any time with/without prior notice to affiliates.
- KrispCall reserves the right to withhold commission payments if it determines violations of this Agreement have occurred.
- Affiliates are responsible for reporting and paying any taxes or fees associated with their commission earnings following their local tax laws and regulations.
- A referral made to an already existing Qualified Referral referred by a third party will be considered a "Current Customer Referral". Affiliates will not receive a Referral Fee or any other compensation for a Current Customer Referral.
